Minutes:

BILL ARENT, Director of the Office of Business Development, stated that this item amends an agreement that was approved by the City Council on 10/20/1993. He explained that it provided for the Redevelopment Agency to receive reimbursement from the Fremont Street Experience Parking Corporation for costs incurred acquiring the property in excess of \$6.4 million. The total acquisition cost is \$17,531,200. As agreed, the Fremont Street Experience and the Corporation will pay the sum of \$11,131,200 commencing January 2010 in monthly payments of \$57,950 derived from net revenue from the retail stores in the Fremont Experience. MR. ARENT indicated JEFF VICTOR was present to represent Fremont Street Experience.

MEMBER TARKANIAN confirmed with MR. ARENT that the City would not continue to receive a portion of the revenues once the \$11 million has been paid off.

At MEMBER TARKANIAN'S request, MR. ARENT explained that the Agency was created by State law with money derived from taxes on new development. Basically, the taxes are generated from local property tax owners in the downtown area that have invested new money in their properties thereby putting that property on the tax rolls.
